Dear Louise.

How is Ukyo. Sam, these days? Carbondale is all right.

What did you do with yourself Sunday. I saw Mr. Schroeder this morning and he said that you were looking for us but you looked in vain, didn't you?

We went for a ride <sup>Sunday</sup>. Uncle Sam and Aunt Lizzie came up Friday night. We went to Kingsley Friday night in the Ford just for a little spin after supper. Then down to Chellies for some ice cream and came home and ate it. Saturday went as usual. Took Cora down in the afternoon, and did some errands.
